

# Casabianca

**OUR CASABIANCA RESTAURANT**  
is family-operated - an achievement of  
which we are very proud.

*We are also proud to offer you meals prepared by "art culinaria". The art of cooking from a bygone era, where French, Italian, and English chefs from the feudal days created many wonderful recipes which still stand as masterpieces in our culinary library.*

*Today's fast food establishments take away the mystique of the chef's art in the preparation of food. We at Casabianca's preserve this mystique and prepare our foods in the old-fashioned way, at the same time offering a contemporary atmosphere with prompt service meeting today's needs.*

*Needless to say, pizza originated in Napoli (as did spaghetti) and we also specialize in a delicious variation from Sicily. Raviolis from Rome and many other favorite dishes orginated in the Italian countrysides. Everyday, we offer you special dishes so that you may have the opportunity to taste and enjoy a large selection of good Italian food.*

**LET US MAKE YOUR MEAL A  
"CASABIANCA MEAL"  
EVERYDAY!**
